Boomers on the Beach is an Adelaide beachfront licensed venue, located in the historic Glenelg Town Hall. We promote S.A produce, seafood, wine, beer, art and music. We offer spectacular views of the Glenelg foreshore and jetty, with stunning sunsets over Holdfast Bay. The Glenelg nature play space for children is directly out the front, so you can watch your children from our outside the dining area.

We are licensed for 125 people, and offer two areas catering to up to 75 people inside and 50 people outside. Room hire is \$450 for either the inside or outside space. For smaller group bookings non-exclusive, we can reserve areas of the venue.

Please find following our platter menu and drink options for your consideration. A cake cutting fee of \$1.00 per person is charged should you choose to bring your own birthday cake to any function.

We offer a set functions drink packages, or you may choose to tailor a drinks package for your guests: We can work with you should you choose to run a tab, have set limit or use the subsidy arrangement with your guests contributing a small amount of drink costs.
